The regular meeting of the Honolulu Engineering Association was held at the usual place last night. Mr. Andrews talked on planimeters and the discussion on the same was carried on by Messrs. Kopke and Gartley. Mr. Keech spoke on temperatures, thermometers, etc. The question asked at the last meeting as to brakes on motor cars was taken up and discussed. Two new questions were brought up which were deferred until the next meeting.

Fifteen members of the Hawaiian Board went on a drive yesterday afternoon to inspect sites suitable for the Kawaiahao Seminary. The first stop was made at Kamoli where, mauka of the little chapel, there is a fine site, the land belonging to the government. This place has been under consideration for some time but was visited for the first time yesterday. The Kaimuki tract was also visited. No meeting has yet been called to take definite action. Inquiries as to the cost of the land and buildings and everything in connection with the establishment of the seminary will be carefully studied before any definite steps are taken.

Y.M.C.A. DIRECTORS MEET

The regular monthly meeting of the board of directors of the Y. M. C. A. was held last evening in the office of the secretary. Very little business was transacted. Ten new members were elected to membership in the association.

There was some discussion on the matter of the summer camp but the members of the association having shown but little interest in the project so far, no plans were made. The secretary will make a canvass of the members in order to find out just how the matter stands.

It was decided to thoroughly renovate the upstairs hall during the summer and to put in first class condition for the fall work. It was announced at the meeting that Physical Director Young would spend his vacation at the volcano, taking a number of Y. M. C. A. members along with him. Upon his return, Secretary Brown will take his vacation.

There will be an important meeting of the membership and social entertainment committees at the home of J. B. Atherton, King street, Thursday evening, beginning at 7:30 o'clock. Plans for the coming year will be developed at the meeting.

Y. W. C. A. PROGRESS.

The board of directors of the Y. W. C. A. held a meeting Monday at 10 o'clock in the rooms of the association. Reports of the various officers and committees were read and accepted. Mrs. Ralph Gere tendered her resignation as chairman of the social committee, ill health compelling Mrs. Gere to give up this work. Mrs. Gere's resignation was received with much regret by the members of the board. Mrs. H. C. Brown reported that during the past month 948 lunches had been served. There had been a large number of applications for employment.

The following new members were voted into the association: Mrs. J. K. Higgins, Mrs. Theodora Meyer, Mrs. Olivia Bristol, Miss B. Blind, Mrs. Captain Fuller, Miss J. Asberry, Miss Mary Green, Mrs. W. Felmy, Mrs. Dr. Wilson and Mrs. W. S. Withers.
